1.2.2 28 Mar 2024

Thanks for your engagement and suggestions! This update includes:
Continued gameplay & connection developments

1.2.1 21 Mar 2024

Greetings, Railway Adventurers!

We have a huge new update – the Nordic Expansion is here! Set off on a new adventure in the chilly northern countries, build routes between colourful cities and adapt to different rules that keep every game feeling fresh.

As always, we're listening to feedback and implementing bug fixes.

Enjoy!

1.2.0 19 Mar 2024

Greetings, Railway Adventurers!

We have a huge new update – the Nordic Expansion is here! Set off on a new adventure in the chilly northern countries, build routes between colourful cities and adapt to different rules that keep every game feeling fresh.

As always, we're listening to feedback and implementing bug fixes.
